

BUILT TO HANDLE YOUR TOUGHEST JOBS.

BENEFITS

- Stay comfortable all day with the over-the-head design and memory foam headband and earcup
- Up to 24 hours of battery life on a single charge
- Rugged materials with moisture-resistant coating protect it from sweat, water and dust
- You'll be heard loud and clear with the adjustable snake boom and noise-canceling technology that eliminates up to 99.6% of transmit noise*

PLANTRONICS VOYAGER 104

Voyager 104 Bluetooth® headset is built to handle tough jobs. Dirt and dust are no match for its sweatproof and moisture-resistant coating. Rugged materials make this headset durable even under extreme weather conditions. And because your environment is unpredictable, you need something you can count on. A well-balanced, over-the-head design with memory-foam padding means all-day comfort. And noise-canceling technology that eliminates up to 99.6% of transmit noise* lets you be heard, not the commotion. No matter how long your days and nights are on the road or at the job site, the 24 hours of power on a single charge will come in handy. Wherever work takes you, you'll come through loud and clear.

- Bluetooth®-enabled
- Close-fitting earcups
- Glove-friendly controls
- Connects to multiple devices
