

Ensuring healthcare continuity in crisis situations

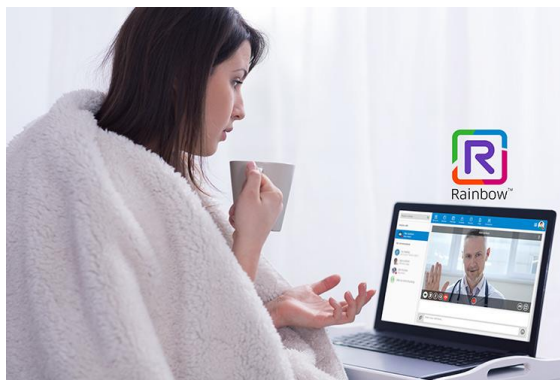

AN EFFICIENT AND SECURE COMMUNICATIONS SOLUTION IS THE FOUNDATION OF ANY HEALTHCARE CONTINUITY PLAN

Engaging with the global community of healthcare professionals and coordinating both internal and external caregivers is essential to containing the spread of any epidemic and safeguarding the population. We at Alcatel-Lucent Enterprise would like to reach out with a helping hand to all the **caregivers from hospitals to clinics, nursing homes and homecare providers**, who need to rely on mission-critical communications and collaboration technologies to maintain healthcare continuity.

We are offering **3-month free licenses for Alcatel-Lucent Rainbow™**, our cloud-based platform.

As a communications company, this is our way to contribute.

HOW RAINBOW CAN HELP HEALTHCARE PROVIDERS:

1 ORGANIZE MULTI-DISCIPLINARY CONFERENCES AND COORDINATE STAKEHOLDERS

- Facilitate remote meetings via audio and/or video conference
- Easily share your screen and securely transfer large images or files between groups or colleagues
- Maintain continuous and real-time interactions via instant message

2 DEVELOP TELEASSISTANCE CAPABILITIES

- Enable continuity in patient engagement
- Limit physical contact by enabling remotely based doctors to assist caregivers in hospitals, clinics or nursing homes
- Create a crisis management unit with a cost-effective and intuitive huddle/meeting room kit

3 PUSH AND RECEIVE NOTIFICATIONS TO/FROM THE COMMUNITY

- Leverage Rainbow channels to broadcast information to the community in real-time
- Instantly share medical instructions and recommendations to numerous people, patients, staff and citizens
- Receive clinical alerts from a notification software platform connected to smart-sensors and medical devices

To help support your efforts during these challenging times, Alcatel-Lucent Enterprise is offering

Alcatel-Lucent Rainbow Enterprise
free of charge licenses for
3 months*

* through our Alcatel-Lucent Enterprise Business Partners. Valid until June 30th, 2020
